

Tech This Out!

Introduction

Welcome back to another installment of C Three Business Consultants' very own monthly newsletter. Black Friday, Cyber Monday, and Christmas are all sneakily approaching so in the spirit of giving thanks, this month we are giving you tons of information absolutely stuffed with ways to save money!

Technology News

Carve Out IT Efficiency and Tax Benefits with C Three!

This November, let C Three Business Consultants serve up a stress-free IT upgrade plan that aligns with your business goals and Section 179 benefits. Our experts ensure your new hardware is seamlessly integrated, secure, and optimized, so you can focus on giving thanks for a thriving business. From cybersecurity to cloud solutions, we've got your IT needs covered like a perfect Thanksgiving spread. Contact us today to learn how Section 179 can help you save on taxes while powering up your technology—because there's nothing more to be grateful for than a secure, efficient, and budget-friendly IT environment!

Business News

Stuff Your Business with Success: A Free Mentoring Feast for Entrepreneurs!

November is National Entrepreneurship Month, and there's no better time to feast on new opportunities and give thanks for the spirit of innovation. At C Three Business Consultants, we're serving up something special for all the go-getters and dream-builders—a free 30-minute business mentoring consultation to help you carve out your path to success. As a business that has mentored hundreds of entrepreneurs across the U.S., we're here to dish out the wisdom, guidance, and encouragement you need to keep your business thriving. Don't let this offer get gobbled up—click on Schedule your free 30-min Consultation and use Code **Entrepreneur2025** when requesting your consultation. *Offer valid now through November 30.*

Team Expansion

Here at C Three Business Consultants, we are happy to announce that we have brought a new face into our network, that being Daryn Reeves!

Daryn is a recent graduate from Murray State University who strives to bring creativity and thoughtfulness towards whatever he works on. Since he started working for C Three Business Consultants, he has continued to gain hands-on experience within the realms of social media marketing, sales marketing, and government contracting.

Did You Know?

Did you know that C Three Business Consultants CEO Amy Yan is also the CEO of premier constructing company C Three Contractors? With the help of her team at C Three Contractors, Amy works with numerous clients, providing them with services such as residential and commercial roofing, storm damage restoration, and insurance claims expertise. Under Amy's guidance, C Three Contractors excels in transforming properties with durable, innovative roofing and exterior solutions while navigating complex insurance claims with expertise. Whether you're in need of reassuring roofing solutions or help with infuriating insurance claims, Amy Yan and her team at C Three Contractors are ready to assist you at every step.
